DE HOOP COLLECTION

Weddings

De Hoop Collection is a wonderful place to have a memorable and relaxed weekend wedding celebration with your family and friends. Nestled within the De Hoop Nature Reserve, we can accommodate around 120 guests at De Hoop Collection in various types of accommodation with a range of affordability and luxury.
Our reservations office will gladly arrange the accommodation for your guests, including or excluding meals, and our team of preferred suppliers will work with you to ensure that planning your dream day is a dream experience!

Included in the Venue Fee, De Hoop will serve a delicious potjie in the boma with paraffin lanterns and hay bales on the evening before the wedding, where guests will get a chance to meet and catch up around the campfire.

Our grand old Fig Tree offers a lot of natural beauty and does not need much to make it special. With different seating options and personal touches your wedding can be very unique. Weddings overlooking the 19km Vlei are also a popular choice for couples looking to celebrate outdoors.

COCKTAILS & CANAPES

DE HOOP COLLECTION

After the ceremony move to the edge of the vlei and think canapes served off the coals with roosterkoek and homemade pates and jams while you soak up a South African Sunset.

We can do some exciting cocktails and delicious homemade lemonade to accompany your canapés.

RECEPTION

The Fig Trees provide a unique natural 'marquee' with fairy lights & lanterns. Or hire a Bedouin tent in the courtyard between the trees. De Hoop Weddings work closely with a team of decor & event specialists to craft and create your ideal look and atmosphere. Share your inspiration with us, and we'll weave a string of magical moments. A delicious wedding feast will be created to suit your taste - either plated or 'market style' buffet.

The Shed is an ideal venue for a Winter Wedding overlooking the vlei – with a warm cosy fire inside! Think white hot chocolate shots and goblets of gluwhein (Winter rates apply.)
